PROFILE

As a recent IT graduate from Tshwane University of Technology, I bring hands-on experience and a solid foundation in Computer Networks and Java SE Programming. With proven problem-solving skills and excellent communication abilities, I'm a promising candidate poised to make a meaningful impact. I'm eager to apply my expertise, expand my knowledge, and stay at the forefront of the ever-evolving IT landscape.

EXPERIENCE

Programming

Developed and maintained web applications using HTML, CSS, JavaScript and PHP.

Assisted in ICT software development tasks.

Participated in code reviews and documentation.

Ability to use more than one development language.

Delivered the desired outcomes ensuring that the websites interface is responsive, interactive and visually appealing.

Computer Networks

Configuring routers.

Troubleshooting.

Installing Network.
